Parents & Students-On December 3, 2010, President Obama signed into law the Healthy, Hunger-Free Kids Act of 2010. This legislation marked the most comprehensive changes to the school nutrition environment in more than a generation. The new lunch meal pattern is effective with this school year, the major changes are as follows: -flavored (chocolate & strawberry) milk must be non-fat, -breads/grains must be whole grain and the required weekly grain servings have been reduced, -increase the daily serving requirements of fruits and vegetables, and establish weekly minimums for all vegetable subgroups (dark green, red/orange, starchy, beans/legumes and "other"), -establish a minimum and maximum daily serving size of meat and protein.
