July 6, 2011

Dear Cyber Family:

I am pleased to announce that Penn Manor School District has formed a virtual school for students in grades 7-12 who live within in the school district. Penn Manor has partnered with local schools as well as EdisonLearning to provide this opportunity. EdisonLearning, the nation's largest partner to communities and schools, powers the Penn Manor Virtual School programs. By working with EdisonLearning, all students benefit from the backing of one of the largest and most influential education companies in the country, with nearly 20 years of experience and serving more than 350,000 children annually.

All students enrolled in this program who successfully meet graduation requirements will receive a Penn Manor diploma. Additionally, Penn Manor Virtual School students will receive a computer, Internet access, and the ability to enroll in high quality courses provided through our partnership with EdisonLearning.

I have enclosed a brochure to a special informational program we are offering on August 4<sup>th</sup>. If this date is not convenient for you or you would like to meet earlier please feel free to contact either Charlie Reisinger, Penn Manor's Director of Technology, or me at 872-9500 and we will be happy to arrange a date and time convenient for you.

Sincerely,

A handwritten signature in black ink that reads 'Michael G. Lechliter'.

Michael G. Lechliter, Ed.D.  
Superintendent of Schools
