

# PENN MANOR SCHOOL DISTRICT

ADMINISTRATIVE REGULATION

APPROVED: July 2, 2012

REVISED:

## 213-AR-0. ASSESSMENT OF STUDENT PROGRESS

The district's assessment system will include a variety of assessment strategies which may include:

1. Written work by students.
2. Scientific experiments conducted by students.
3. Works of art or musical, theatrical or dance performances by students.
4. Demonstrations, performances, products or projects by students related to specific academic standards.
5. Examinations developed by teachers to assess specific academic standards.
6. Nationally available achievement tests.
7. Diagnostic assessments.
8. Evaluations of portfolios of student work related to achievement of academic standards.
9. Other measures, as appropriate, which may include standardized tests.

At the outset of any course, each student will be informed about the academic standards to be attained and will be kept informed of personal progress during the units of a course of planned instruction.

Methods of assessment must be appropriate to the planned instruction and maturity of students.

Assessment strategies should objectively evaluate and reward students for their efforts.

Students should be encouraged to assess their own academic achievements.

All assessment systems will be subject to continuing review and revision by district staff.
