

Penn Manor
School District

We're Going Green

**The Penn Manor Food Services Department is proud to
announce that we are going paperless!**

In order to reduce our environmental impact, and to increase efficiency and communication, we will be discontinuing our hard copy reporting practices for student letters for negative balance accounts.

Effective January 1, 2019, all student letters for negative balances will be sent out electronically to the primary email on file for the parent/guardian of the student. Hard copies will be mailed only if the parent/guardian of the student has no email access.

For your convenience, log onto www.myschoolbucks.com and create an account to easily pay for school meals. We will still be accepting cash and checks payable to PMFS.
