Winter Training

Penn Manor Youth Baseball (PMYB) is setting up clinics for the Winter months to keep the boys active and continually improving their skills.

PMYB will be holding Winter Training on Friday nights from January 11, 2019 through March 1, 2019. The focus of the sessions will be dedicated to teaching the correct fundamentals and skills that your child will need to be a successful baseball player. Any player who will be playing 10U, 12U, or 14U in the Spring are encouraged to sign up. You must be playing for PMYB in the Spring to attend these training sessions.

- Winter Training @ Spooky Nook - These sessions will run from 6-8pm and your child will spend 1 hour on the indoor baseball field working on fielding, throwing, and base running and will then have 1 hour in the batting cages. The cost is \$75. Space limited to 70 players.

REGISTER: You can register by logging in to your account at pennmanoryouthbaseball.com

For our 8U players we are working on setting up some gym time for some clinics later in the Winter. More details will be sent out as they become available.
