

## Join the Millersville Swim Team!!

We would like to invite all school age children (K-12) to our 2019 information meeting to learn about our swim team and to register for a summer of friends, fun and swimming.

No matter the level of swimming ability or experience, everyone is welcome! Come learn new skills, meet new friends and get great exercise, all while enjoying the camaraderie of being on a team. Set goals for competing, not just for the team, but also for your personal best times. We also offer the Sea Lion Pup Team for those young swimmers who are not quite ready to compete in meets.

## Swimmers of all ages and levels of ability are welcome!
