Come join the fun in the garden!

Campers explore the garden and engage in fun activities in small groups of 5-7, rotating through 4 different stations throughout the morning. Each day has a special garden-related theme with a read-aloud, activity, and craft. Good and bad bugs, Worms and Composting, Bees and Pollinators are just a few of the themes we'll explore. Finally, campers learn how to turn their freshly-harvested produce into healthy snacks -- a long-standing favorite activity of Edible Classroom campers!

A typical day at camp:

- 9:00 Campers arrive, Individual Discovery Activity
- 9:30 Station #1: Theme of the Day w/ Garden Exploration
- 9:55 Station #2 Recipe
- 10:20 Station #3 Craft
- 10:55 Station #4 Game or Wellness Activity
- 11:15 Wrap up activity in small groups
- 11:30 Campers depart

Covid-19 Safety Plan for Garden Camp

The Edible Classroom staff is fully prepared to offer your camper a safe and fun experience. Please carefully review and sign our complete Covid Safety Plan.
