Volunteers are expected and required to keep all student information that they obtain while working as a volunteer for the district confidential. In fact, federal law strictly prohibits school districts and district volunteers from releasing any student information without parent/guardian permission.

Student information includes all academic, medical and personal information. Volunteers cannot take photos of students during their volunteer activities and post them publicly without authorization from the school. Student work, like artwork or papers, is also protected by law and cannot be shared publicly without written permission. Disclosure of student information by a volunteer is a violation of the Family Educational Rights and Privacy Act of 1974 (FERPA) and may subject the volunteer and the district to civil liability. It is very important that you keep information about students confidential. It is important that you do not discuss students or their progress with others – even their parents. Do not make references to students’ abilities in front of other students. The only person who should be told about a student’s work is their teacher. If parents ask about their students’ progress, suggest in a friendly way that they contact the teacher.

### **Unlawful Harassment**

The Penn Manor School District’s Unlawful Harassment Policy calls for a commitment to an educational environment that is free from all types of discrimination and harassment, including sexual harassment, bullying and intimidation. The Board encourages employees, volunteers and third parties who have been harassed to promptly report such incidents to their direct supervisor. If the director or supervisor is the subject of a complaint, the incident should be reported directly to the Principal or Compliance Officer which is the Human Resources Director. Volunteers are expected and required to respect and uphold the Penn Manor School Districts Harassment Policy. The district asks you to review the enclosed Unlawful Harassment policy 348

in detail prior to volunteering. As a reference all approved Policies can be located under School Board” and “Board Policies” on the district website.

### **Accident Reports**

Any accident involving a student, employee, or volunteer that occurs on school property must be reported to the building principal and school nurse using the appropriate District accident report forms. Such forms are needed for prevention of future accidents, regardless of insurance coverage or liability issues.

**Notice of Non-Discrimination:** The Penn Manor School District does not discriminate on the basis of race, religion, color, national origin, sex, or disability in providing education services, activities and programs, including vocational programs in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

- ❖ Notify the office to immediately call 911
- ❖ Have everyone evacuate the area as a precaution
- ❖ In the event of other emergencies, you are to follow instructions provided by the teacher or building principal

### **Important Guidelines**

The school board expects that all staff and volunteers will strive to set the kind of example for students that will serve them well in their own conduct and behavior and contribute toward a school atmosphere that is friendly but has a degree of formality.

### **General Guidelines for Safe Interaction with Students:**

All interactions with students should be professional and focused on teaching and learning. These guidelines protect both the student and the volunteer.

If an applicant enters the wrong code by mistake, the incorrect applicant type will appear at the top of the screen. The applicant should select the “Back to Home” button and begin the process again, by reentering the correct Service Code.

If the applicant proceeds with the process under the incorrect code, the pre-enrollment and/or results cannot be transferred to another state agency and the applicant will have to start the process over and pay for the background check again. Payment - The applicant will pay a fee of \$23.85 for the fingerprint service and to secure an unofficial copy of the Criminal History Record. Major Credit Cards as well as Money orders or cashier’s checks payable to MorphoTrust will be accepted on site for those applicants who are required to pay individually. No cash transactions or personal checks are allowed. Fingerprint Locations – After registration, the applicant proceeds to the fingerprint site of their choice for fingerprinting.

The location of the fingerprint sites and days and hours of operation for each site are posted on IDEMIA's website at <https://uenroll.identogo.com>. The location of fingerprint sites may change over time; applicants are encouraged to confirm the site location nearest to their location. At the fingerprint site, fingerprint transaction begins with a review of the applicant’s qualified State or Federal photo ID before processing the applicant’s transaction.

A list of approved ID types may be found on the IDEMIA website at <https://uenroll.identogo.com>.

Applicants will not be processed if they cannot produce an acceptable photo ID. After the identity of the applicant has been established, all ten fingers are scanned to complete the process. The entire fingerprint capture process should take no more than three to five minutes.

Report Access – For the public schools to access the official report via the electronic system, applicants must provide their UEID to the hiring entity (as shown on the receipt provided after fingerprint capture). Applicants will receive an unofficial copy of their report for their records.

You should print out the IdentGO receipt or if you do not have access to a printer, you must record the number in a safe place and provide it to the Human Resources Office.

## Penn Manor School District Volunteer FAQs

### **Do ALL volunteers have to have clearances?**

Yes, all volunteers will be required to have background clearances. The new state law requires that the following volunteers need clearances:

1. Volunteers who are responsible for the welfare of the child.
2. Volunteers who have direct contact with a child, i.e., providing care, supervision, guidance or control of a child (using the common meaning of those terms, with child safety serving as the paramount consideration).
3. Volunteers who have routine interaction with children (volunteers who have regular, ongoing contact that is integral to their volunteer responsibilities).
4. Any individuals who serve without pay as a sports coach.
5. Any individuals who regularly assist and have contact with children in connection with a play, concert, or other curricular, co-curricular, or extracurricular activity.
6. Student Volunteer - A student age 18 or older enrolled in one the District's schools who volunteers for an event on school grounds and sponsored by the school in which the student is enrolled and which is not an event for children who are in the care of a child care service. The definition applies only if the student is not responsible for the welfare of any child at the event.
7. The following individuals are not required to obtain clearances:
  - Visitor - An individual whose actions do not rise to the level of a volunteer. As examples and without limiting the category of individuals who may be considered visitors, "Visitor" includes:
    - ✓ A parent, close relative, or guardian who visits a classroom, auditorium, other school common area, or private meeting area to make a delivery to, meet with, or share a celebration time with, a student who is the individual's child or other close relative or for whom the individual is the guardian.
    - ✓ An individual who attends a sports event or other co-curricular activity.
    - ✓ An individual who is a career day or other similar speaker or participant visiting to share information with students under supervision of a school employee. Visitors are governed by Board Policy No. 907/School Visitors.
    - ✓ An individual who allows a student to visit the individual's place of business for a job shadowing for a very limited time period in not considered involved in an internship, externship, work study, co-op or similar program.
    - ✓ Unless a Principal can categorize your activity as that of a visitor, you will need to have clearances (in advance) to volunteer with our students.

**What clearances are required?**

Three different clearances are required – (1) PA State Criminal Record Check, (2) PA Child Abuse History Clearance and (3) Federal Criminal History Record Check (“fingerprint”)

The new state law permits the District to waive a volunteer’s need to obtain the Federal Criminal History Record Check (FBI Fingerprint) if the volunteer can attest that they have been a resident of the Commonwealth of Pennsylvania during the entirety of the previous ten-year period.

**Why are 3 different clearances required?**

Each clearance request searches a unique database of records. The PA clearances for child abuse and criminal records are held in 2 different state databases, while the Federal clearance checks criminal history through a national database.

**What should I do once I get my clearances?**

Once you receive all your clearances, take the originals to the Main office of the school in which your child attends and where you plan on volunteering, during normal office hours, when school is in session; otherwise, please take your original clearances to the District Office, Monday-Thursday, (7:00am-4:00pm), over the summer months, when school is not in session or you may scan your clearances to the Human Resources Mailbox, [HumanResources@pennmanor.net](mailto:HumanResources@pennmanor.net)

Additional times can be made by appointment. Administrative Staff will review your clearances and will make a copy to keep for our files. The originals will be returned to you. Thereafter, your name will be added to a central database of volunteers who have submitted clearances and will be maintained by the Human Resources Department.

**What if I have older clearances that I got for volunteering with other organizations?**

The District will accept the clearances provided they are not more than three years old from the date of submission. The clearances will expire when the oldest of the submitted clearances is more than 5 years old.

**How often will I have to update my clearances?**

Every 5 years from the date you submit them to the District.

**What if I am not truthful about disclosing prior arrests or notifying the District of a subsequent arrest?**

The statute makes the failure to disclose information a misdemeanor of the third degree.

### **How much do the clearances cost?**

Effective January 1, 2020, the cost of each of the clearances is:

- Pennsylvania State Police Clearance for volunteers (free)
- Pennsylvania Child Abuse History Clearance for volunteers (free)
- Federal Bureau of Investigation (FBI) report – Identigo- (\$23.85)-If you have not lived in PA for a period of 10 years;
- Completing the Volunteer Affidavit and PDE-6004 form (free).

### **How long does it take to obtain my clearances?**

The length of time it takes to receive your clearances is contingent upon the method you use to apply for the clearances. Applying online will typically result in a faster turnaround time. It is also important to note that all potential volunteers across the Commonwealth of Pennsylvania will be applying for clearances as well. We encourage prospective volunteers to begin applying for their clearances as soon as possible.

### **How will volunteers submit their clearances?**

Potential volunteers must present clearance documents to your child's school, while school is in session; otherwise, you will have to drop them off at the District Office. Upon verifying the original clearances, the school or District representative will return the originals back to the individual and retain a copy of each clearance/exception statement.

Once the clearances are completed and dropped off at the respective buildings, the Human Resources Department will process the paperwork and will email once you are approved to volunteer.

### **What will the school/district do with my clearances once I submit them?**

The Human Resources representative will document the clearance information in a shared database that can be accessed by all schools in the District and maintained by the Human Resources Department. The database will include the names of approved volunteers as well as the expiration dates for each individual clearance. A copy of the clearances/exception forms will be maintained in the District for a period of sixty months (5 years), at which point, the clearances will be destroyed. New clearances will need to be obtained in order to continue to volunteer within the District.

### **I have students in multiple school buildings; will I need to submit my clearances to each school?**

No. Since there is only one PMSD volunteer database that is shared among the buildings, you will only need to submit your clearances to one location.

**I already have my clearances. Will I need to get new ones?**

Act 153 stipulates that clearances are good for 60 months from the effective date. You can submit your current clearances as long as they are less than five years old.

**Who is responsible for accessing the database at the building level and how are the names of approved volunteers shared with the organizers of various activities?**

Each building secretary will be responsible and will have access to the approved volunteer's database. If an event is planned that will require the use of volunteers, the organizer of the event will work with the secretary and/or principal to ensure that these volunteers have provided the appropriate clearances.

**Is the person responsible for acceptance of volunteers required to keep a copy of my clearances?**

Yes, pursuant to § 6344 (b.1), the employer, administrator, supervisor or other person responsible for employment decisions or acceptance of the individual to serve in any capacity requiring clearances, shall maintain copies of the required information and require the individual to produce the original documents prior to employment or acceptance to serve in any such capacity, except provisional employees for limited periods as described in § 6344.2 (f) and outlined above. An employer, administrator, supervisor or other person responsible for selection of volunteers that intentionally fails to require an applicant to submit the required clearance before the applicant's hiring commits a misdemeanor of the third degree. Agencies are reminded that the child abuse history clearance information is confidential and may not be released to other individuals.

In closing, the Penn Manor School District applauds your decision to serve our students and staff as a volunteer. We recognize that your time is valuable! Please know that we will do our very best to make your experiences in our schools both enjoyable and rewarding.

It is our hope that through your examples of service and commitment, our students will be inspired to follow your lead as they progress through the formidable years of their young lives. Volunteers play an integral role in the development of the whole student in our community.

On behalf of the Penn Manor School District and the Board of School Directors, Thank You once again for choosing to volunteer your time and talents in our schools. We wish you all the best throughout the coming school year.
