

Comet Soccer Team Camp

When: June 21-24 (Monday-Thursday) 6:00 p.m-8:30 p.m.

Who: Boys entering grades 7-12 in the fall of 2021

(Training will occur in groups for both Junior High & High School players.)

Where: Hempfield High School Athletic Complex. (stadium/grass fields.)

- Meet in the quad the first night at 5:45pm. (Mumma Dr.- Landisville-17538)

Each evening a different college head coach & his assistant will train our players. The sessions will be designed in conjunction with the PMBS staff to address specific tactical themes and technical skills that match our team approach. Themes will be consistent with our philosophy and address areas we believe are critical to our player's development!

PMBS coaches will be able to observe as the players seek to assimilate the concepts & skills from each day's training into the scrimmage/"friendly match" - against other local high school and junior high teams at the end of the night. Some ninth grade players may play with the high school or junior high school group.

We like this approach to team camp as it is MUCH less expensive than going away overnight somewhere and all interested players can participate! It gives our players some exposure to college coaches and the training they provide, and it allows our PMBS staff to see our soccer candidates in training environments and scrimmage situations.

There will be 4 different teams participating (Penn Manor, Hempfield, Elizabethtown & Manheim Central)! This will enable us to scrimmage different teams throughout the week.
