

## Ocean Living

June 12 - June 16

Come “play at the beach” and do all things sand and sun while learning about Sea Creatures and Water Safety.

## Camping Critters

June 19 - June 23

Join us for Camping themed activities/crafts and enjoy the Great Outdoors while we learn about Woodland Animals and Insects.

## Jungle/Rain Forest

July 17 - July 21

Find out about various animals that live in the Jungle and Rain Forest and how it is different than a wooded forest.

## Outer Space

June 26 - June 30

Journey into Outer Space! Students will learn about planets and stars. We will find out what gear is needed to get to space.

## Little Artists

July 24 - July 28

Come tap into your artistic side and learn about artists such as Van Gogh, Picasso, DaVinci and recreate their famous art work

## Colors of the Rainbow

July 31 - August 4

Come over the rainbow, as we get colorful by discussing primary and secondary colors, make Tie-dye and slime crafts.

## Classic Children's Stories

August 7 - August 11

Join us as we dig into Dinosaurs, Fossils and Pre- historic life, making various crafts and a volcano experiment.

## Walk in Jurassic Park

August 14 - August 18

Engage in the classics like Jack & the Beanstalk, Goldilocks, 3 Little Pigs, etc. as we do crafts and activities related to these beloved stories.
