Three Ways to Qualify

- **Direct Certification:** This is a list of students that the state determines automatically qualify. Penn Manor will mail a letter home if your household is on that list. All children in the household will also qualify. If you have a student(s) living in your household and are not listed you need to contact Penn Manor's Food Service Department

You will need your 9-digit case number when completing an application. You will automatically qualify if you have an active case for SNAP or TANF. ****Please DO NOT include your case number on the application if you receive MEDICAID and DO NOT receive SNAP or TANF benefits****
