

READ ACROSS AMERICA

Presented by Millersville ECHO

Saturday, April 12, 2025

10 am- 12 pm

Join ECHO as we celebrate the magic of reading! We will transform ordinary classrooms into a space where children and their families can explore new books, play games, and make crafts!

Our theme is **“If you give a kid a book, they’re going to want another.”**

Families may come and go as they please, however, all children must have an accompanying adult!

Go to www.signupgenius.com and search **amberforehand03@gmail.com** or scan this code!

Bake sale and raffle baskets will be featured in the lobby!

This event is free! All we ask is that you RSVP using this QR code
