# Why Choose MHS?

From unmatched career and technical education to a caring home life led by committed houseparents, MHS offers every student the opportunity to find a future of fulfillment and purpose.

## Top-Tier Educational Experience

MHS offers a world-class education for pre-K through 12th-grade learners. Expert teaching, world-class facilities, state-of-the-art technology, and an emphasis on hands-on, career-focused learning provide the strong foundation students need to achieve beyond their greatest dreams.

## Nurturing & Supportive Home Life

Student home life is at the core of the MHS student experience. All students, from age 4 through 12th grade, live on campus in a family-like atmosphere in a student home led by caring staff.

Houseparents coordinate all parts of the student experience beyond the classroom and ensure they have what they need to be healthy and thrive. Houseparents, teachers, and other MHS staff all work together to keep parents/sponsors informed and in touch with their children. It's a team effort and parents/sponsors play a key role.

## Healthy & Fulfilling Lives

At MHS, we are committed to providing students with best-in-class care using a whole child approach that allows students to live out their dreams. Our comprehensive approach to care includes medical and dental, as well as food, clothing, and a nurturing home life with all costs covered.
